Technical details

Material: Silicone, supplier catalog p. 74.

Dimensions: Exact dimensions are not confirmed in the available documents. Request the supplier drawing before assessing fit.

Sterility: Sterility is not confirmed for this SKU in the available documents. Request the required grade and lot certificate before ordering.

Compatibility

Supplier catalog p. 74 identifies CRDP-SC-9 as a 96-square-well silicone mat; supplier correspondence indicates fit with the listed deep-well plates. Confirm the exact plate SKU, well geometry and fit with SMG before ordering.

Ordering & fulfillment

Listed prices include a provisional allowance for overseas freight to the delivery address in your quote. Final delivered pricing depends on the destination, order mix and shipment date and must be confirmed in your written quote. Applicable taxes are additional.

Estimated overseas lead time: 6-7 weeks. Schedule and start date are confirmed with the written order. For laboratory use only. This summary is not a lot certificate or a dimensional drawing.
