Technical details

Material: Polypropylene (PP), supplier catalog product-family specification. Confirm the current SKU grade with your quote.

Dimensions: Exact dimensions are not confirmed in the available documents. Request the supplier drawing before assessing fit.

Sterility: Supplier catalog marks this SKU as sterilized (p. 66). Packaging quantity remains subject to confirmation; request the lot certificate.

Compatibility

Confirm dimensions, material, handling requirements and assay or equipment compatibility before ordering. Contact SMG for SKU-specific technical details that are not shown in the listing.

Ordering & fulfillment

Listed prices include a provisional allowance for overseas freight to the delivery address in your quote. Final delivered pricing depends on the destination, order mix and shipment date and must be confirmed in your written quote. Applicable taxes are additional.

Estimated overseas lead time: 6-7 weeks. Schedule and start date are confirmed with the written order. For laboratory use only. This summary is not a lot certificate or a dimensional drawing.
