Technical details

Material: Polypropylene (PP), supplier catalog product-family specification. Confirm the current SKU grade with your quote.

Dimensions: Tip length 60.0 mm (catalog p. 9).

Sterility: Sterility is not confirmed for this SKU in the available documents. Request the required grade and lot certificate before ordering.

Compatibility

Supplier catalog lists Hamilton STAR, STARlet and Nimbus for this tip family (catalog p. 9). Confirm the instrument head, rack/carrier and protocol for your exact SKU before ordering. This is supplier-reported compatibility, not an independent SMG instrument validation.

Ordering & fulfillment

Listed prices include overseas freight and delivery to your US shipping address. SMG covers any additional freight cost; no freight surcharge will be added after checkout. Applicable taxes are additional and calculated at checkout.

Estimated overseas lead time: 6-7 weeks. Schedule and start date are confirmed with the written order. For laboratory use only. This summary is not a lot certificate or a dimensional drawing.
